

The Trustees of the IHC Foundation are inviting application for funds from individuals and agencies in 2012 to be applied for the benefit of people with an intellectual disability.

The proposed projects must:

- align with the Foundation's philosophy and priorities
- be submitted by individuals or organisations with a charitable purpose
- be well defined and preferably time limited

Preference will also be given to projects not normally funded by government, and grants will typically be in a range not exceeding \$25,000.

You are invited to submit an initial project proposal. This must be submitted on the Foundation's application form and submitted to:

Executive Director
IHC Foundation
PO Box 4155
Wellington 6140

on or by 31 January 2012.

Further information and application forms are available on our website:
